- 8) Vaccination records, including for COVID-19 (if available)

**** Please bring printed hard copies of all proofs/ documents (e.g. medical certificates, vaccination records) Digital files, photos, or apps cannot be accepted ****

Precautions

- Examinations are performed by appointment only (no walk-ins).
- Fasting is not required for this examination.
- Photos will be taken on site.
- Please come at the set appointment time. Examinations cannot be started early for those who come early. Please avoid coming in more than 1 hour before your appointment time.
- The examination will take approximately 2 hours (for one applicant). Applicants will be called in order of appointment time (not in the order of arrival or check in).
- Female applicants may undergo the medical during menstruation.
- Please inform our staff if you are pregnant.
- Persons under 18 years of age must be accompanied by a parent or guardian.

Chest Xray

When taking the chest Xray, you will be asked to remove all clothing covering the upper body (including underwear). Please avoid clothing that cannot be taken off quickly. Pregnant applicants are not exempt from the Xray requirement. In this case, the chest Xray can be performed with abdominal shielding. Alternatively, the applicant can delay the visa examination until after the pregnancy.

****** In accordance with Australian guidelines, a chest x-ray examination cannot be performed if the pregnancy is less than 14 weeks. In this case, the visa checkup will be postponed until at least after 14 weeks gestation ******
