Precautions

- Examinations are performed by appointment only (no walk-ins).
- A valid passport is required for this examination. We will not be able to perform the examination without a valid passport.
- Fasting is not required for this examination.
- Photos will be taken on site.
- Please come at the set appointment time. Examinations cannot be started early for those who come early. Please avoid coming in more than 1 hour before your appointment time.
- The examination will take approximately 2 hours (for one applicant). Applicants will be called in order of appointment time (not in the order of arrival or check in).
- Female applicants may undergo the medical during menstruation.
- Please inform our staff if you are pregnant.

- Persons under 18 years of age must be accompanied by a parent or guardian.

Required visa details

Please note that as Canadian visas are processed electronically in eMedical, we need to know the specific details of the type of visa at the time of appointment. This requires either:

- **An IME/UCI number (from CIC)**
OR
- **A specific upfront medical visa category (Worker/Student/Visitor)**

If you do not have these details, we will not be able to make your appointment.

Chest Xray

When taking the chest Xray, you will be asked to remove all clothing covering the upper body (including underwear). Please avoid clothing that cannot be taken off quickly. Pregnant applicants are not exempt from the Xray requirement. In this case, the Chest Xray can be performed with abdominal shielding. Alternatively, the applicant can delay the visa examination until after the pregnancy.

Test requirements and costs

Age	Content of examination	Cost
0-4	Physical Examination	¥11,000
5-10	Physical Examination	¥15,400
11-14	Physical Examination, Chest Xray	¥19,250
