

New Zealand Visa Physical Examination

The test requirements will differ depending on the type of visa you are applying for and which forms you were instructed to use for your application process.

Items to bring

- 1) Original Valid passport
- 2) Physical Examination Forms (INZ 1096 and/ or INZ 1007 or INZ 1201)
* Please complete these forms prior to your appointment *
- 3) Pregnant or possibly pregnant applicants should bring medical certification or mother and child's book to certify your pregnancy. (Once your pregnancy is verified, you will be exempt from taking the chest X-ray)
- 4) Applicants with serious medical condition(s) should bring a medical report with detailed information noting treatment and/or prognosis **in English** from their treating doctor.
- 5) "Mother and Child's book" (if available) for children 6 years old and under.
- 6) Applicants under 18 years of age must be accompanied by a parent or guardian.
- 7) Glasses or contact lenses (if worn). Corrected vision must be better than 0.5, 20/40 or 6/12 in the better eye.

Precautions

- Fasting is not required, and a photo will be taken at our clinic.
- **Female applicants:** please avoid coming in during menstruation, as urine samples cannot be collected. If you are menstruating on the day of your appointment, you will have to come back to do the urine test after your period has passed.

Test requirements and costs

Please be aware that **the consumption tax is NOT included** in the cost below.

Consumption tax will be added at the time of payment. All units of one yen will be rounded up by 10yen.
