

New Zealand Visa Physical Examination

The test requirements will differ depending on the type of visa you are applying for and which forms you were instructed to use for your application process.

Items to bring

- 1) Original Valid passport
- 2) Physical Examination Forms (INZ 1096 and/ or INZ 1007 or INZ 1201)
*** Please complete these forms prior to your appointment ***
- 3) Proof of pregnancy (medical certificate/ mother-baby book) for pregnant or possibly pregnant applicants (please inform our staff when making your appointment. The pelvic area will be protected. Please consult your obstetrician if you have any concerns.) (Once your pregnancy is verified, you will be exempt from taking the chest X-ray)
- 4) Applicants with serious medical condition(s) should bring a medical report with detailed information noting treatment and/or prognosis **in English** from their treating doctor.
- 5) "Mother and Child's book" (if available) for children 6 years old and under.
- 6) Applicants under 18 years of age must be accompanied by a parent or guardian.
- 7) Glasses or contact lenses (if worn). Corrected vision must be better than 0.5, 20/40 or 6/12 in the better eye.
- 8) Vaccination records (if applicable- see Precautions below **Regarding Polio Virus**)

Precautions

- Fasting is not required, and a photo will be taken at our clinic.
- The examination will take approximately 2 hours.
- **Female (INZ 1007) applicants:** please avoid coming in during menstruation. Applicants who are menstruating during their examination may be asked to come back on another day or reschedule their appointment.
- **Regarding Polio Virus-** Due to the on-going risk of polio transmission, clients who have lived in certain countries for 4 weeks or more are required to show proof of polio vaccination within the last 12 months. If no vaccination records are available, polio vaccination will be given at the time of examination.

The following countries are affected:

For US/ Australia/ Canada/ NZ visa applicants: Afghanistan, Angola, Benin, Burkina Faso, Cameroon, Central African Republic, Chad, Cote d'Ivoire, Democratic Republic of the Congo, Egypt, Ethiopia, Ghana, Guinea, Iran, Malaysia, Mali, Niger, Nigeria, Pakistan, Philippines, Republic of Congo, Sierra Leone, Somalia, South Sudan, Tajikistan, Togo, Yemen

(Note: this list is subject to change on a regular basis)

Test requirements and costs

Please be aware that **the consumption tax is NOT included** in the cost below.

Consumption tax will be added at the time of payment. All units of one yen will be rounded up to the nearest 10 yen.

INZ 1201 Applicants: Full Blood Count, Creatinine, eGFR

Examination Results

All results will be submitted electronically directly to New Zealand Immigration via the e-medical system. The results of applicants who did only the chest X-ray (INZ 1096) will be submitted within 2-3 working days. Results of INZ 1007 or 1201 will be submitted within 7-10 working days (not including Saturdays/ Sundays/ holidays). This will apply only to applicants without medical issues. Our office will contact you if there are any abnormal findings.
