Precautions

- Fasting is not required for this examination.
- Photos will be taken on site.
- The examination will take approximately 2 hours (for one applicant). Applicants will be called in order of appointment time (not in the order of arrival/ check in).
- Please come at the set appointment time. Examinations cannot be started early for those who come early, well before (ie.1-2 hours before) their set appointment time.
- **Female applicants:** please avoid coming in during menstruation. Applicants who are menstruating during their examination may be asked to come back on another day or reschedule their appointment.
- **Regarding Polio Virus:** Due to the on-going risk of polio transmission, clients who have lived in certain countries for 4 weeks or more are required to show proof of polio vaccination within the last 12 months. If no vaccination records are available, polio vaccination will be given at the time of examination.
- **When taking the chest x-ray:** You will be asked to remove clothing covering the upper body (including shirts/ undershirts/ bras/ tank tops, etc.) before taking the chest x-ray. Please avoid wearing clothing that cannot be taken off quickly such as dresses/ overalls/ jumpsuits/ bodysuits, etc.
