

UK Visa Physical Examination

Items to bring

- 1) Original Valid passport
- 2) 1 photograph (3.5 cm x 5 cm)
- 3) Proof of pregnancy (medical certificate/ mother-baby book) for pregnant applicants (please inform our staff when making your appointment. The chest x-ray must be performed to complete this examination. The pelvic area will be protected. Please consult your obstetrician if you have any concerns.)
- 4) Applicants with a history of tuberculosis infection or respiratory diseases/ conditions should bring a medical report with detailed information noting treatment and/or prognosis, current condition **in English** from their treating doctor.
- 5) Intended address in the UK.

**** Please bring printed hard copies of all proofs/ documents (medical certificates, vaccination records, etc.) No digital files or apps. ****

Precautions

- Fasting is not required for this examination.
- The examination will take approximately 1 hour (for one applicant). Applicants will be called in order of appointment time (not in the order of arrival/ check in). Please come at the set appointment time. Examinations cannot be started early for those who come early, well before (ie. 1-2 hours before) their set appointment time.
- **Female applicants:** Please inform our staff if you are pregnant.
- **When taking the chest x-ray:** You will be asked to remove clothing covering the upper body (including shirts/ undershirts/ bras/ tank tops, etc.) before taking the chest x-ray. Please avoid wearing clothing that cannot be taken off quickly such as dresses/ overalls/ jumpsuits/ bodysuits, etc.

Test requirements and cost

Please be aware that **the consumption tax is NOT included** in the cost below.

Consumption tax will be added at the time of payment. All units of one yen will be rounded up to the nearest 10 yen.

Age	Content of Examination	Cost
Adults \geq 11 years old	Doctor's consultation, chest x-ray	¥20,000
Pregnant adults \geq 11 years old	Doctor's consultation, chest x-ray	¥20,000
	Doctor's consultation, sputum smear/ culture tests	¥41,000
Children < 11 years old	Doctor's consultation	¥14,000

Examination Results

Completed certificates will be completed within 1-2 weeks if results are normal. If sputum smear/ culture tests are done, certificates will take approximately 8-10 weeks for completion. Completed certificates can be picked up or posted by regular mail or registered mail (Letterpack- additional mailing fee will apply). This time frame will apply only to applicants without medical issues. Our office will contact you if there are any abnormal findings.
