- 8) Vaccination record for Covid-19 (if available). Please bring paper copies of shot records (no apps).

**\*\* Please bring printed hard copies of all proof documents (medical certificates, vaccination records, etc.) No digital files, photos, or apps. \*\***

## Precautions

- Examinations are performed by appointment only (no walk-ins).
- Fasting is not required for this examination.
- Photos will be taken on site.
- The examination will take approximately 2 hours (for one applicant). Applicants will be called in order of appointment time (not in the order of arrival or check in).
- Please come at the set appointment time. Examinations cannot be started early for those who come early. Please avoid coming in 1-2+ hours before your appointment time.
- **Female applicants** may undergo the medical during menstruation. Please inform our staff if you are pregnant.
- **Regarding Polio Virus:** Due to the on-going risk of polio transmission, clients who have lived in certain countries for 4 weeks or more are required to show proof of polio vaccination within the last 12 months. If no vaccination records are available, polio vaccination will be given at the time of examination.
- **When taking the chest x-ray:** You will be asked to remove clothing covering the upper body (including shirts/ undershirts/ bras/ tank tops, etc.) before taking the chest x-ray. Please avoid clothing that cannot be taken off quickly such as dresses/ overalls/ jumpsuits/ bodysuits, etc. The pelvic area will be protected for pregnant applicants. Please consult your obstetrician if you have any concerns. The chest x-ray must be performed to complete this examination.
